

## Group Printmaking Workshops

Our personalised printmaking workshops are ideal for team away days, well-being sessions, birthday celebrations, occasions and more.

Group printmaking workshops are a great way to try something new and creative together with your friends, team or loved ones, and are customisable to suit your preferences and skill levels.

*"The EP team met with us ahead of time to understand our needs and our vision for the workshop, and helped us turn that into a reality. Our team had a great time working together to create really cool totes, shirts, and prints, but we took away great memories as well!"*
